Why Partner With Omega Group

Omega Group is building a diversified portfolio of businesses positioned to address real world challenges across multiple industries. Partnering with Omega Group provides access to a disciplined portfolio supported by strong governance, experienced leadership, and a clear long term vision.

Our Approach

- Long term thinking over short term returns.
- Operational excellence applied consistently across every subsidiary.
- Centralised governance with full operational autonomy for each business.
- Technology as a shared foundation across the Group, not a bolt on.

Where We Welcome Collaboration

- Strategic Investments
- Joint Ventures
- Technology Partnerships
- Infrastructure Development
- Healthcare Initiatives
- Energy Projects
- Government & Institutional Collaboration
- Vendors & Suppliers across fuel, automotive, retail, and beauty supply chains

Our Portfolio

Seven companies, one shared standard of governance and operational discipline.

- Hairlux Beauty & Wellness — Beauty, wellness, and grooming, the Group's founding business.
- ElliotX Technologies — AI solutions, SaaS platforms, and enterprise software.
- Omega Pathway Innovative — Business incubation, venture development, and real estate.
- Omega Petroleum & Haulage — Fuel distribution, logistics, and energy supply chain.
- Omega Healthcare (Coming Soon) — Accessible, technology driven healthcare.
- Omega Green Energy & Sustainability (Coming Soon) — Renewable energy and sustainability consulting.
- Omega Capital (Future) — Strategic capital for high growth ventures.

Start a Conversation

Our Investor Relations and Partnerships teams welcome discussions that support innovation, sustainable growth, and long term value creation.
